

**Call for Submissions: Screenings and Sound Art Events by Northern Ontario Artists  
Cold Waters Symposium & Media Arts Festival June 12-15, 2019  
North Bay, ON**

Cold Waters Symposium and Media Arts Festival will take place in North Bay June 12-15, 2019. Organized by the Near North Mobile Media Lab (N2M2L) and the Media Arts Network of Ontario (MANO). Cold Waters will present two simultaneous events bringing together Northern Ontario artists working with technology and media based practices in convergence with cultural workers and curators from across Canada.

Throughout the symposium and associated events, Cold Waters will present a number of screenings and sound art events. Cold Waters is accepting proposals for:

-Northern Ontario artists working in single-channel film and video are invited to submit short works for exhibition as part of the festival's evening programme.

-Sound artists are invited to submit proposals for outdoor performances under 20 minutes using 1 to 8 channels.

Open to **Northern Ontario** artists at all stages of their career.

**Submissions should include:**

- Short Bio and CV (bio under 100 words, CV maximum 3 pages)
- Artist statement (under 200 words)
- The film or video you would like to submit (Vimeo link and password). Please clearly indicate which specific section of videos the selection committee should watch for a maximum viewing of 5 minutes.
- Sound artists should submit two examples of previous work (Vimeo, Soundcloud) or documentation of the proposed work. Please clearly indicate which specific section of audio the selection committee should listen to for a maximum consideration of 5 minutes.

Fees at or above CARFAC or IMAA rates will be paid by Cold Waters. Transportation and accommodation will be provided for artists from outside the Nipissing region.

**Deadline April 1<sup>st</sup>, 2019**
